SUMMARY

I am a third-year student at Sardar Patel Institute of Technology majoring in Computer Engineering. My goal is to become a software engineer and pursue my interest in programming. I am especially interested in creating interactive applications, and enjoy developing both their backend and frontend.

EDUCATION

COURSE	SPECIALISATION	YEAR	INSTITUTE	ORGANISATION	% / CGPA
B. Tech	Computer Engineering	2023 - Present	Sardar Patel Institute of Technology	Autonomous	8.42
Minor	UI/UX Design	2025 - Present	Pearl Academy	Autonomous	-
Junior College	Science	2021 - 2023	T.P. Bhatia College of Science	HSC	94%
High School	General	2020 – 2021	Swami Vivekanand International School	ICSE	98%

PROJECTS

LIBRARY MANAGEMENT SYSTEM

[August 2024 - November 2024]

- Created a database for a library using MySQL
- Developed a website with login and sign-up features for customers as well as staff, including functionalities such as book search, updating, inserting and deleting books.

FINANCE TRACKER

[September 2024 - November 2024]

- Created a Python application to keep track of the user's daily income and expenditures.
- Developed several machine-learning models to predict the price of gold, housing, stocks and health insurance plans.

SOFTWARE SKILLS

PROGRAMMING LANGUAGES: C, Java, Python, MySQL

OTHERS: Figma, FastAPI, Docker.

SOCIAL WORK

DIABETES AWARENESS CAMPAIGN

[May 2024 - August 2024]

- Community project aimed at raising awareness about diabetes among the younger and older generations.
- Researched the symptoms, effects, prevention and some myths and scams related to diabetes by interviewing several licensed medical practitioners.
- Conducted a diabetes awareness session at a local government school for students of grades 4 to 7.

ABHYUDAYA

[August 2024 - November 2024]

- Volunteered at the Abhyudaya, a community-based organization, affiliated with Bharatiya Vidya Bhavan's SP Jain Institute of Management and Research, that provides mentoring and holistic after-school education to bright, underprivileged children from low-income neighbourhoods in Mumbai's K-West ward, with the aim of helping them become independent and improving the schools and community around them.
- Assisted students of grades 7 and 8 during coding classes and Winter Camp.

ACHIEVEMENTS

- Secured 1st rank in TP Bhatia College of Science with HSC percentage of 94%.
- Secured 2nd rank in Swami Vivekanand International School with ICSE board percentage of 98%.
